- 3.5.3 When the above reasons for withholding are removed or remedied by Consultant, compensation of the amount withheld will be made within a reasonable time. City shall not be deemed in default by reason of withholding compensation as provided for in this Article III.
  - 3.5.3.1 In the event of any dispute(s) between the parties, regarding the amount properly compensable for any Phase or as final compensation, or regarding any amount that may be withheld by City, Consultant shall be required to make a claim pursuant to and in accordance with the terms of this Agreement and follow the procedures provided herein for the resolution of such dispute. #### **ARTICLE XII. SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY (SBEDA)**

***Too be determined by IEDD per project.***

## 12.1. SBEDA Program

City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2010-06-17-0531, hereafter referred to as “SBEDA” or “the SBEDA Program”), which is posted on City’s International and Economic Development (hereafter referred to as “IEDD”) website page and is also available in hard copy form upon request to City. The SBEDA Ordinance Compliance Provisions, contained in this section of the Agreement, are governed by the terms of this Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by City pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this agreement. Unless defined in a contrary manner herein, terms used in this section of the agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

## 12.2. Definitions

**12.2.1 Affirmative Procurement Initiatives (hereafter referred to as “API”)** – Refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise (hereafter collectively referred to as “S/M/WBE”) program tools and solicitation incentives which are used to encourage greater prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. For full descriptions of these and other S/M/WBE program tools, see Section III. D. of **Attachment A** to the SBEDA Ordinance.

**12.2.2 Certification or “Certified”** – The process by which the Small Business Office (hereafter referred to as “SBO”) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (hereafter referred to as “ESBEs”) automatically are eligible for Certification as SBEs. Any firm may apply for multiple Certifications which cover each and every status category (e.g., SBE, ESBE, MBE, or WBE), for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, City accepts any firm which is certified by local government entities and other organizations identified herein which have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of **Attachment A**.

**12.2.3 Commercially Useful Function** – An S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm also must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed.
